

ANTAL INTERNATIONAL

France, Lyon

**Construction, Energy
and Infrastructure**

ABOUT US...

EXECUTIVE AND MANAGEMENT RECRUITMENT

We are a team specializing in executive and middle management recruitment for the construction sector: building, infrastructure and energy. We support medium-sized companies as well as regional and national construction groups in the development of their human resources.

Our expertise of more than 30 years in the construction sector allows us to offer a unique and adapted response to each of our customers, with the objective of establishing a lasting relationship.

Our knowledge and experiences with construction professionals, allow us to target top profiles through our network and direct approach.

WHY CHOOSE US?

CONSTRUCTION TRADE EXPERTISE

- Because we are experienced construction professionals, this means for our clients that we precisely target the profiles sought thanks to our professional network and our direct approach.
- Just like our business partners, our candidates are also considered as our clients to whom we provide advice and services.
- We are part of the Antal International Network with over 800 people operating under the Antal brand across 35+ countries, making successful talents placements in more than 75 countries across the globe.

THE SATISFACTION OF OUR CUSTOMERS

The testimonials of our customers prove that our efforts, our commitments, our expertise, our methods make it possible to meet the expectations, the emergencies of the customers who commission us, in a wide range of construction trades.

THE SUPPORT OF OUR CANDIDATES

Our consultants listen to candidates, their professional expectations and can talk with them about all facets of their job. We support them in the qualification phase of their application, a point that companies particularly appreciate because it allows them to save significant time.
