WHY WORK WITH US?

- **THE CONNECTION.** We prioritize the relation and a tailor-made approach for each of our missions. This methodology has already very much proven!
- **EXPERTISE.** Our consultants are experts in various sectors. They have an in-depth knowledge of the markets, that is a major asset for the companies that are looking for a professional partner with national and international presence.
- **ANTAL'S METHODOLOGY.** Our objective is to save time and money, avoiding some stress. Through our proven methodology we guarantee the recruitment and the adequacy between the mission, the experience and the qualifications of the future employee.
- **OUR INTERNATIONAL NETWORK.** Thanks to our global network, present on 5 continents and in 37 countries, we can carry out assignments worldwide with the same standards.

OUR SERVICE COMMITMENTS

We constantly improve and optimise our internal work processes and searching methods through continuous training:

- Uniqueness: because each client is unique, we work on each assignment taking into account the company vision, structure and DNA, its sector of activity and its constraints.
- Synergy: we share our information, knowledge and experience with our clients, our talents and within our Antal International network to ensure that everyone can benefit. And we do better than anyone else in the world!
- Ethics: we scrupulously respect the Syntec rules of ethics, while adapting to our clients way of working and their expectations of counseling.
- Clarity: our services are accurate and clear, according to the activities and the needs of each client. We adapt our offers following the project course.

EXCLUSIVE MISSION : A TAILOR-MADE SOLUTION

Our main objective is to provide a portfolio of highly motivated and qualified talent within a predetermined time frame.

After discussion with the client and gathering the essential information, we set a unique target of highly qualified talent. After in-depth interviews and a motivation check, a shortlist of potential recruits is established. We support the talent throughout the recruitment process and ensure clear communication for both parties.

Our professional and personalized approach to talent has proven to be very effective in dealing with last-minute counter-proposals or rejections.

Transparency is also an essential element that we emphasize throughout the process of our missions.

Hervé Nabet - Managing Partner

As a company director for 15 years, and then as a business owner since 2006, he has been able to broaden his areas of expertise.

Whether in the Automotive industry, Yachting, the Luxury sector, or any other industry he has the pleasure of working with, he is resolutely attached to the quality of the services provided to his clients and to the respect of his commitments, which has enabled him to establish long-lasting relationships based on trust.

These years of expertise and specialisation in these sectors are also a means of recruiting talent, which can really accelerate the development of companies.
