ANTAL SECTOR REPORT

Cyber Security – Latest News – Antal Romania

We're all aware of the scams impacting not just the recruitment sector but also various other public and private firms. With the increase in cyber-attacks, the demand for cybersecurity professionals is soaring at light-speed. 🚀

Financial Times, a pioneer news resource crucial for understanding market dynamics, highlights these key points:

- There's a significant increase in cyber-attacks, and AI has become a tool for hackers.
- AI is not only used for hacking but also for combat. Cybersecurity engineers are harnessing AI to fend off attacks.
- Overall, **the industry is in need of over 3 million security staff!**

Quote: "*As the frequency of cyber-attacks continues to rise, it's crucial for your organization to hire cybersecurity professionals to prevent data breaches and shield against potential threats to your company's security.*"

In Romania, HotNews just announced that Cisco is making its largest acquisition in history: they will pay \$28 billion for a cybersecurity company. Cisco Systems is set to acquire a cybersecurity firm called Splunk for \$28 billion, a price that's 31% above Splunk's most recent stock price.
