## ANTAL SECTOR REPORT PwC's STRATEGIC TECH ALLIANCE WITH AWS: A DIGITAL REVOLUTION

PricewaterhouseCoopers (PwC) has formally announced the execution of a three-year Strategic Collaboration Agreement in partnership with Amazon Web Services (AWS). This strategic alliance is poised to serve as a catalyst for innovation, efficiency, and transformation within organizations. The agreement represents a significant augmentation of PwC's demonstrated proficiency in the implementation of cloud technologies. It encompasses a comprehensive array of solutions that amalgamate technological advancements with a strong commitment to human capital, fostering trust and delivering quantifiable outcomes in alignment with our global strategic vision.

With over 200 projects already underway for Fortune 500 corporations and numerous additional initiatives in the pipeline, this development underscores PwC's steadfast dedication to offering solutions that prioritize both individuals and cutting-edge technology.

*Considering these advancements, the Antal recruitment team has refined its strategy for the introduction of our distinguished business analysts and cloud project managers, who are already featured within our exclusive portfolio of candidates.*
